SUMMARY

With nearly three years of professional web development experience, I've successfully turned a personal passion into a fulfilling career. My background in commercial projects and evolving skill set enable me to deliver high-quality solutions that meet diverse client needs. I'm also committed to continuous improvement, refining both my technical expertise and interpersonal skills to excel in collaborative environments and drive projects to success.

PROJECT EXPERIENCE

edweb.site, Link – My CV/Portfolio Website
Unfortunately, I can't showcase all of my projects in my portfolio, as most of them were created under contracts where copyright was transferred to clients.
